Rev. Norman Nelson Slated For Calvary Baptist Church

The Rev. Norman Nelson of Orient Crusades will be the guest speaker at the Calvary Baptist Church, 23601 S. Main St., Wilmington, on Wednesday, Feb. 15 and Friday, Feb. 17, at 7:30 p.m.

An outstanding dramatic soloist and speaker, Rev. Nelson has sung in some of the largest auditoriums in the United States. He was a concert soloist and on many occasions appeared in the Los Angeles Philharmonic, Pasadena Civic auditorium, and the Hollywood Bowl.

During several of Billy Graham's evangelistic crusades, Rev. Nelson was the featured soloist.

After studying in Los Angeles for the ministry, he has spent more than 10 years preaching and singing throughout the cities of America. He recently made a three month tour of the Orient.

Accepting the challenge of

singing and preaching to audiences who "have never heard," Nelson went to the Philippines in August of 1956, as a missionary under Orient Crusades.

Rev. Nelson broadcasts three times per week over 14 of the largest radio stations of the Philippines.

FOLLOWING VEHICLE
The Automobile Club of Southern California reminds drivers that following the vehicle ahead too closely leaves little room for safety. The recommended following distance under ideal driving conditions is one car length for every 10 miles an hour of speed. If roads are slippery, traffic is heavy, or visibility is poor, a much greater distance is required for maximum safety.

Christian Events Highlight Sermon

The Narbonne Avenue Baptist Church of Lomita will hear their pastor, Robert A. Wells, speak at both the 8:30 and 10:50 services Sunday. His message will be another in the current series on "Great Events in the Life of Christ."

This Sunday's sermon will be "The World's Greatest Sermon by the Greatest Preacher."

The 7:30 p.m. message will be the third in a series on "Love, Marriage and the Home." This message will be "Kiss and Make Up."

The message is based on problems faced in the home. Problems may be common to every husband and wife relationship in varying degrees but they need not be fatal. They actually make make the home a happier place.

The Junior Choir of the Lomita congregation will sing at the State Music Festival in Riverside Saturday. The Junior Choir earned the invita-

tion to this event when they made an "A" rating in the local choir festival.

The annual Valentine banquet for the intermediate and young people of the church will be held in the youth building Feb. 16. This semi-formal event will see the crowning of the king and queen of the Training Union candidates who come out victors in a four-week contest. Early reservations indicate a big attendance.

LIFE EFFORT

Millions of U. S. mothers and fathers, if pressed, would insist that their children's betterment is the entire focus of their life effort. If that be their true objective, then let them stop giving their youngsters a free chariot ride to the good things "they themselves never had." Let them teach their children how to pave their own way to these riches.
